

Remarks

Claims 1-14 are canceled.

Claim 15 is currently amended.

Claims 15-31 are present in this divisional application.

Claims in the parent application, No. 10/602,094, aimed at a process for preparing compounds of formula (I), are allowed. Applicants will cancel non-elected claims in the parent to place it condition for allowance.

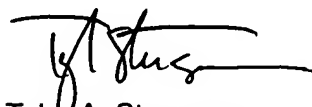

This divisional contains claims aimed at stabilized compositions comprising compounds of formula (I) (claims 15-30). The compounds of formula (I) of the present claims contain all the limitations of the allowed claims in the parent and grandparent.

Present claim 31 is aimed at a specific bromo intermediate compound of the present processes (a present compound of formula V).

The specification is amended to make reference to the parent.

Favorable consideration of the present claims is respectfully requested.

Respectfully submitted,

Tyler A. Stevenson
